

KITCHENS & BATHROOMS

DESIGN - INSPIRE - INSTALL

Thinking of a new bathroom? From initial design through to installation, Kitchen & Bathroom Place offers a complete service which gives you fantastic value for money and total peace of mind.

Our experienced designers use 3D computer software to produce tailor-made designs which are both practical and beautiful.

We work with carefully selected suppliers and offer a wide choice of quality products. Individual product specifications are created for every client. We cater for all tastes, from contemporary to classic.

We have a dedicated team of skilled installers. All work is completed to the highest standard with meticulous attention to detail. Your home will be left clean and tidy.

If you wish to use your own fitters, then why not consider our supply only service? This includes a 3D design and expert advice on product selection. We quality check all products prior to delivery and provide ongoing customer support.

We also sell to the trade. If you are a plumber or interior designer, we would love to hear from you.

Visit our showroom in Twyford, or contact us by phone or email to find out how we can help you create your perfect bathroom.
